

Topic 1.1

If a product is good or meets people's needs, they will buy it. Therefore, advertising is unnecessary and no more than entertainment. To what extent do you agree or disagree?

Sơ đồ outline mẫu

Không đồng ý. Thân 1: thừa nhận chất lượng quan trọng.

Thân 2: khẳng định quảng cáo vẫn cần thiết.

Mở bài • Paraphrase đề + hướng trả lời

*It is argued that: product quality / satisfy customers' needs → enough to generate sales → advertising: little purpose beyond entertaining the public
Personally, I am of the opposite school of thought: advertising still necessary; acknowledge product quality*

Thân bài 1

Câu chủ đề: Thừa nhận: chất lượng sản phẩm → quan trọng

Admittedly: a product's ability to fulfil customers' needs + maintain quality standards → vital for its success

—Giải thích

a product: excel at meeting consumer expectations → create positive word-of-mouth publicity → more credible than traditional advertising

—Ví dụ

This can be clearly seen in the way: local businesses → thrive on the basis of product quality + organic growth of their customer base → without investing heavily in advertising campaigns

Thân bài 2

Câu chủ đề: Quan điểm của em: quảng cáo → vẫn cần thiết

However / I strongly believe: the necessity of advertising → cannot be completely dismissed

—Lý do: thị trường cạnh tranh

ever-increasing number of products and services → essential for companies:

—a. Khác biệt

distinguish themselves from their competitors

—b. Khách hàng biết đến

make potential customers aware of their offerings

—Giải thích → kết quả

advertising: play a pivotal role in achieving this → reach a wider audience + establish a memorable brand identity → stay ahead of rivals

—Ví dụ

This can be clearly seen in how: even leading global firms → unfailingly invest in advertisements via multiple platforms → maintain their market presence

Kết bài • Quan điểm của em: chất lượng + quảng cáo

*In conclusion, I am firmly convinced that:
without advertising → products cannot go far in the market
without genuine quality → advertising alone cannot ensure long-term success*
